

Cycle Richmond! invites you to bicycle out to the 2018 North Richmond Shores Festival at Point Pinole on Saturday October 6, 2018.

Bring your bike, helmet, water and meet 10:00AM Saturday, October 6^t at Burg Park, 30th & Clinton located in the North & East Neighborhood.

It's about a 7 mile ride to Point Pinole and will take about 45 minutes.

Any bike will do - however the Park has some paths with loose gravel or hard packed dirt.

This will be a kid friendly ride but kids need to be accompanied by an adult.

This will be an easy, flat ride on mostly quiet neighborhood streets or dedicated bike paths.

Once at the park we will bicycle to the fishing pier, Cook's Point, Atlas Road Bridge and the Dotson Family Marsh and return to the festival staging area around 11:30AM.
