Conservation is an investment that does not lose its value. Please help CESP secure future parks.

Will Richmond's General Plan Ultimately Support Shoreline Parks and Open Space?

The current draft of the Richmond General Plan leaves the future of many shoreline sites unclear. Without your help, developers may sabotage these natural treasures. Please voice your support for open space and make comments on the current draft by **September 16**. Emphasize your desire to **protect the North Richmond Shoreline, South Richmond Shoreline and the San Pablo Peninsula**.

Voice your support for:

- Open space, parks and recreation along our shorelines for cleaner air and better public health.
- Public access to the Richmond shoreline for all its residents.
- Retention of the current zoning designations for all shoreline parcels and no upzoning.
- Low intensity zoning on any shoreline properties with commercial designations.

Point out **problems** with the Draft Plan and make **recommendations**:

- No land use designations have been given to key shoreline parcels—so what do they plan to do?
- For the shoreline “planned area districts”, suggest that either the current zoning be maintained or a moratorium placed on those parcels until a specific plan is completed.

With YOUR help, we can preserve a legacy of shoreline open space and access for all. Written comments are due by **September 16**. Submit to:

**Lori Reese-Brown, Principal Planner
City of Richmond
450 Civic Center Plaza, 2nd Floor
Richmond, CA 94804
Email: Lori_Reese-Brown@ci.richmond.ca.us**

It is helpful to also let your Mayor and City Council know your thoughts-- send to:

**Mayor Gayle McLaughlin and
Richmond City Councilmembers
440 Civic Center Plaza
Richmond, CA 94804**

Email: Gayle_McLaughlin@officeofthemayor.net
